You are applying to join a work crew that operates in a remote and challenging location. For everyone's safety we cannot employ anyone that does not follow our safety standards and rules of conduct. If you have not read the employee handbook, request a copy and read it before submitting this application.

- I am over the age of 18 as of the work start date.
- I certify that I am willing, and physically and mentally capable, to live and work for eleven straight weeks, under primitive conditions, in a wilderness area reached only by trail, and not have a full day off, or be permitted to be absent from the chalet overnight.
- I certify that I do not have any handicap or medical problem that would or could interfere with my job performance throughout the summer season under this primitive, wilderness situation.
- I certify that I have read the Sperry Chalet Employee Handbook for 2024, that I understand and agree to the stated rules, regulations and other conditions set forth therein, and I can complete the stated job functions set forth therein.
